

Scouts Own Service Resource Pack

This resource pack contains everything you'll need to put on a quality Scouts Own Service. The resource pack contains the following items:

- Four complete Scouts Own Services. If you don't want to create your own Scouts Own Service, there are completed services included in this resource pack. Thirty hard copies of each service are included. The document files are located on the Resource Pack CD (they are called ScoutsOwnService1.doc, ScoutsOwnService2.doc, ScoutsOwnService3.doc, ScoutsOwnService4.doc).
- A Resource Pack CD. Use this if you'd like to create your own Scouts Own Services. The Resource Pack CD has the following files:
 - The Scouts Own Service Template (called HandoutTemplate.doc)
 - Two resource books that contain openings, closings, skits, messages, and songs (called ResourceBook1.pdf and ResourceBook2.html).
 - A resource book for material submitted by the members of Troop 165 (called Troop165resources.doc). This document can be continually updated as new suggestions are received.
