

# MULCH PICKUP & DELIVERY

How much mulch? Measure the area (square feet), Determine the depth (inches) of mulch you want. Figure 3-4 inches for new beds and 2 inches for beds already mulched. Volume = Square Feet X Inches / 324 (round up).

Scout \_\_\_\_\_

Please complete the information below for each Troop 165 supporter.

**Saturday Mulch**  
**Dates: 4/10, 4/17,**  
**5/1, 5/15, 5/22**

**5 yards or more**  
**\$30/cubic yard (Pick-up)**  
**\$40/cubic yard (Delivered)**  
**\$50/cubic yard (Delivered and Spread)**

**Add \$10 delivery fee for**  
**each order that is for**  
**less than 5 yards.**

Tell the supporter that they will receive a confirmation phone call and that they need to make their checks payable to “Boy Scout Troop 165”. We will take their payment when we give them the mulch (unless they won’t be home when we deliver).

Remember to say “Thank you” for their support! Please give customers your phone number and then call Mrs. Gonyon at (815) 477-2450 with any questions.
