Notes:

- 1. Scouts should eat dinner before arriving at the Mary Ann Beebe Center.** The troop is providing Saturday lunch for this campout. The boys will have to cook their own meals for Breakfast Saturday, Dinner Saturday, and Breakfast Sunday.
- 2. We are not meeting at the Nature Center for Drop off and Pick up.** Instead, since the event is relatively close by, and because scouts may choose to come out for Saturday only, we are having each family make arrangements for the scout.
- 3. Camping in cold weather requires some special equipment and preparation.** For example, a closed-cell foam pad will provide insulation from the cold ground while an air mattress would not be useful for that purpose. The troop will provide training and a checklist of supplies for those camping at this event.
- 4. The Klondike Derby provides the scouts with an opportunity to test their knowledge and skills in competition with surrounding Boy Scout Troops and Venture Crews.** Patrols within the Troop work as teams to prepare a patrol sled and to practice scouting skills.

**We'll be camping at Mary Anne Beebe Center
17501 Streit Rd, Harvard, IL 60033**
