

Boy Scout Troop 165 Mulch Fundraiser

Let the Scouts Do Your 2018 Mulch for You!!!

Dear Neighbors,

Thank you for your supporting our troop. Troop 165 continues to grow, and last year through our community's generosity, we were able to send over 60 scouts to summer camp, Sea Base, and National Youth Leadership Training, These are an important part of a scouts growth and maturity as they become our future leaders. This year Troop 165 is headed back to summer camp, we will also be sending scouts to the Northern Tier in Minnesota for 7 days. During these camps, the scouts develop outdoor and leadership skills that will benefit many people throughout their life's.

The scouts of Troop 165 are looking forward to delivering high quality, brown, double shredded mulch to your doorstep to raise money for our summer activities. As in the past, the mulch is available delivered or delivered and installed by the scouts. Watch as the scouts put their leadership and scouting skills to work in your yard or business. Thanks again for your support...
