

Boy Scout Troop 165 Mulch Fundraiser

Let the Scouts Do Your 2020 Mulch for You!!!

Dear Neighbors,

Thank you for supporting our troop. Troop 165 continues to grow, and last year through our community's generosity, we were able to send over 50 scouts to summer camp. This is an important part of a Scout's growth and maturity as they become our future leaders. This year, Troop 165 is headed back to summer camp. Also, the high adventure Scout group is heading to Philmont Scout Ranch in Cimarron, NM for a two-week mountain backpacking trip. During these camps, the scouts develop outdoor and leadership skills that will benefit many people throughout their lives. The scouts of Troop 165 are looking forward to delivering high quality, brown, double shredded mulch to your doorstep to raise money for our summer activities. As in the past, the mulch is available picked up (7502 S. Main St., Crystal Lake, IL), delivered or delivered and installed by the scouts. Watch as the scouts put their leadership and scouting skills to work in your yard or business. Thanks again for your support...
