

Boy Scout Troop 165 Mulch Fundraiser

Let the Scouts Do Your 2017 Mulch for You!!!

Dear Neighbors,

Thank you for your support of our troop in the past. Our troop continues to grow, and last year through your generosity, we were able to send over 60 scouts to summer camp and National Youth Leadership Training, and these are an important part of a scouts growth and maturity as they become future leaders. During these camps, the scouts develop outdoor and leadership skills that they can use throughout their life. Once again, the troop is headed back to summer camp, and we will be sending a contingent to the Sea Base in Florida for 7 days of sailing "Tall Ships".

The scouts of Troop 165 are happy to deliver high quality, brown, double shredded mulch to your doorstep in order to raise money for our summer activities. As in the past, the mulch is available just delivered or delivered and installed by the scouts.
